

Improving the Author Experience @ JCF

- **Your Paper Your Way:** Your initial submission to the journal may be submitted as a single Word or PDF file without being put into the “correct” *JCF* format.
- **Court of Appeals:** We will consider reviewer comments from other journals (from which your manuscript has been rejected) along with the revised manuscript in your initial submission to *JCF*.
- **Color without Cost:** All figures submitted in color will print in 4-color at no cost to the author.

Please submit via the *JCF* portal. Include “Court of Appeals” details in your cover letter.
